

Dr.R.V.Parameswaran
MBBS, DRM, DNB (Nuclear Medicine), MNAMS

Consultant, Nuclear Medicine

Dr Parameswaran is one of India's leading specialists in the field of nuclear medicine. Having qualified as a doctor in 1992, Dr Parameswaran went on to acquire further qualifications in Radiology Medicine and Nuclear Medicine.

Dr Parameswaran has had extensive training/work experience at two of India's leading institutions for Radiology Medicine and Nuclear Medicine: Radiation Medicine Centre attached to Tata Memorial Hospital, Mumbai and Jaslok Hospital, Mumbai.

He has independently led nuclear medicine operations at leading hospitals in India since 2001. In his current position, as Head Of Department of Nuclear Medicine at one of India's leading super speciality hospitals, located in Bangalore, he initiated the setting up and commissioning of one of India's first PET CT machines.

Dr Parameswaran is one of the pioneers of Sentinel Lymph Node biopsy in India. Following his initiative, this procedure is now being routinely used in India as a therapeutic procedure for all early breast cancers and is also being successfully carried out in investigations/treatment of Cancer cervix , Head & Neck tumors, Carcinoma Penis and Carcinoma of Vulva. He was also the first nuclear medicine specialist in India to start the technique of ROLL (Radioguided occult lesion localization) for all suspicious breast lumps. He has vast experience in therapeutic Nuclear Medicine mainly for the treatment of Thyrotoxicosis , Thyroid Cancer , Polycythaemia

Vera , Intra arterial injection of Yttrium Theraspheres, Iodine-131 Lipiodol for HCC and bone pain palliation.

Paper Presentations (International)

- World Congress of Nuclear Medicine & Biology, South Africa
- International Nuclear Cardiology Conference, Portugal
- World Congress of Nuclear Medicine & Biology, Santiago, Chile .
- Annual Society Of Nuclear Medicine conference held in Los Angeles ,USA
- IAEA (International Atomic Energy Agency) meeting in Vienna
- European Congress, Paris

Dr Parameswaran:

- has authored several publications which have been published in national and international Journals.
- has received advance training in PET CT at University of Pennsylvania, Philadelphia, USA in June/July2007(UICC -ICRETT Fellowship).
- has participated in several workshops held in Zurich, Singapore, Beijing, etc.
- has conducted several research trials As Principal Investigator
