

Location : Gurgaon

Medanta – The Medicity is one of India's largest multi-super specialty hospitals located just 30 minutes away from New Delhi airport. Founded by eminent cardiac surgeon, Dr. Naresh Trehan, the institution has been envisioned with the aim of bringing to India the highest standards of medical care along with clinical research, education and training

Spread across 43 acres, the institute includes a research center and a medical & nursing school. It has 1250 beds and over 350 critical care beds with 45 operation theatres catering to over 20 specialties. Medanta houses six centers of excellence which provide medical expertise, cutting-edge technology and state-of-the-art infrastructure with a well-integrated and comprehensive information system.
